PRESIDENT: Senator Warner.

SENATOR WARNER: Mr. President, what the motion or what the amendment does is purely technical, that's the one on the limitations on schools. The reference is made and was last year to the cost of living index, the proper term is consumer price index, and that's all....that would be, it's more than what E & R can do and there are two other amendments on there that are E & R amendments. I move that the bill be moved back and then the amendment be adopted.

PRESIDENT: This will take 25 votes to bring it back to Select File. Those in favor vote aye. Those opposed vote nay. Senator Whitney voting aye. Have you all voted? Clerk will record.
